Dear TSC Patron:

In 1986 Congress passed the Asbestos Hazard Emergency Response Act (AHERA). That law requires all schools, kindergarten through twelfth grade, to be inspected for asbestos-containing building materials.

The Wea Ridge Elementary School building does not contain asbestos.

If you have questions, or concerns about AHERA regulations please direct your questions to the Director of Buildings & Grounds at 765-474-2481.

Sincerely,

Steven Tobias
Director of Buildings & Grounds
